There is divergence in the reasons that some of us are here; there are reasons for the differences that divide us.

. . . Yet a better sense of humor binds us all.

New York, the city of the skyscrapers—Boaz, a little town of South-New York is one of the largest cities in the world, and Boaz is one of the smallest towns in the South. New York, the city of motion—Boaz, a silent town of the South—New York the city of the variables—Boaz, the town of monotony: In spite of the variety of New York, you may not be able to find what you are really looking for. But, in spite of the monotony of Boaz, you may find whatever you wanted to gain. You may sleep without food for several nights in New York, with nobody asking you what is wrong. But here in Boaz when you are even sad, there are a lot of people who try their best to make you happy. In New York love is almost dead, but here in Boaz, it is still growing up. If I were asked to choose one of these two, I would answer, "Boaz".

Snow Skiing In the South

Course Number 221 "Beginning Snow Skiing" has become an interesting subject at Snead State Junior College.

The desire to be first, to participate, to excell, to be a part, to do new things, and to involve others dear to them are the reasons given by the nine students taking the course. David Price, suggested to his father, Doctor Edwin C. Price, Academic Dean, that the ski course could be a first, a reality, and a successful project for SSJC. Dr. Virgil McCain, President of the college, Bob Riseling, Director of Public Relations, and Tom Baggett, Director of Research, were other college officials who saw the possibilities and helped bring the course to a reality.

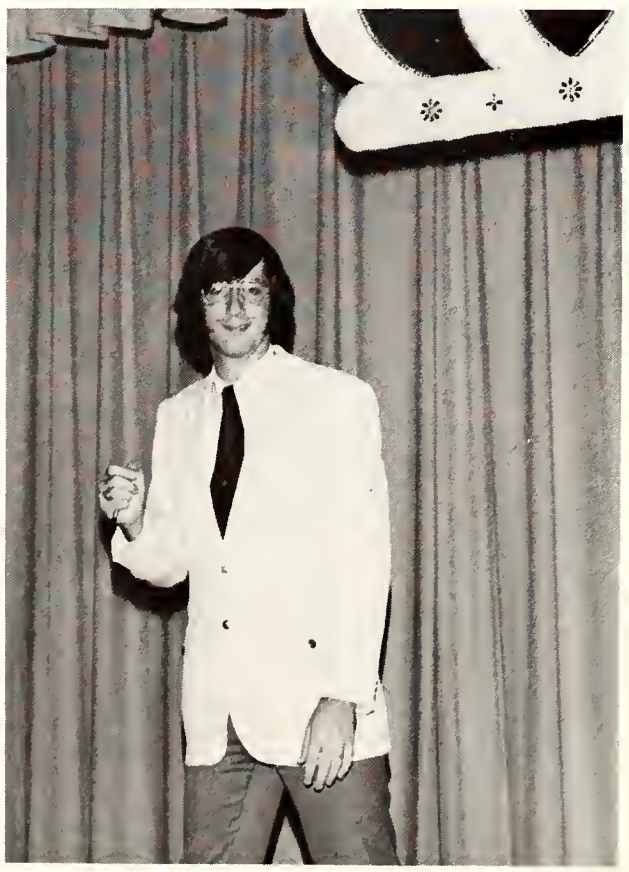
The Pines

Fielder Auditorium was the scene of the first annual Pines Beauty Review, Saturday, October 16, 1971. Twenty-eight Snead Co-eds, representing various clubs and the two dormitories, were presented as candidates for the beauty titles. The method of selecting the beauties was different from what it has been in the past. They were selected by a panel of judges, consisting of Mrs. Wynell Robinson, dance instructor; Mr. Ernie Crates, Intercollegiate Press; Mr. Ron Wright, Photographer. The program was under the direction of Mr. Ray Stonicher, PINES sponsor.



Beauty Review

The Freshman Beauty

Karen Kinsey

The title of freshman beauty goes to starry-eyed Miss Karen Kinsey. The most representative of freshmen beauty and poise on the Snead campus Karen is a Liberal Arts major from Attalla. Tennis and archery are among Karen's interest in sports.

Freshman Beauty

Pam Abney

Vivacious and congenial are only two descriptions of many which could exemplify the sparkling freshmen beauty Miss Pam Abney. Pam is from Guntersville; her major is Liberal Arts. She was sponsored by the Civitans.

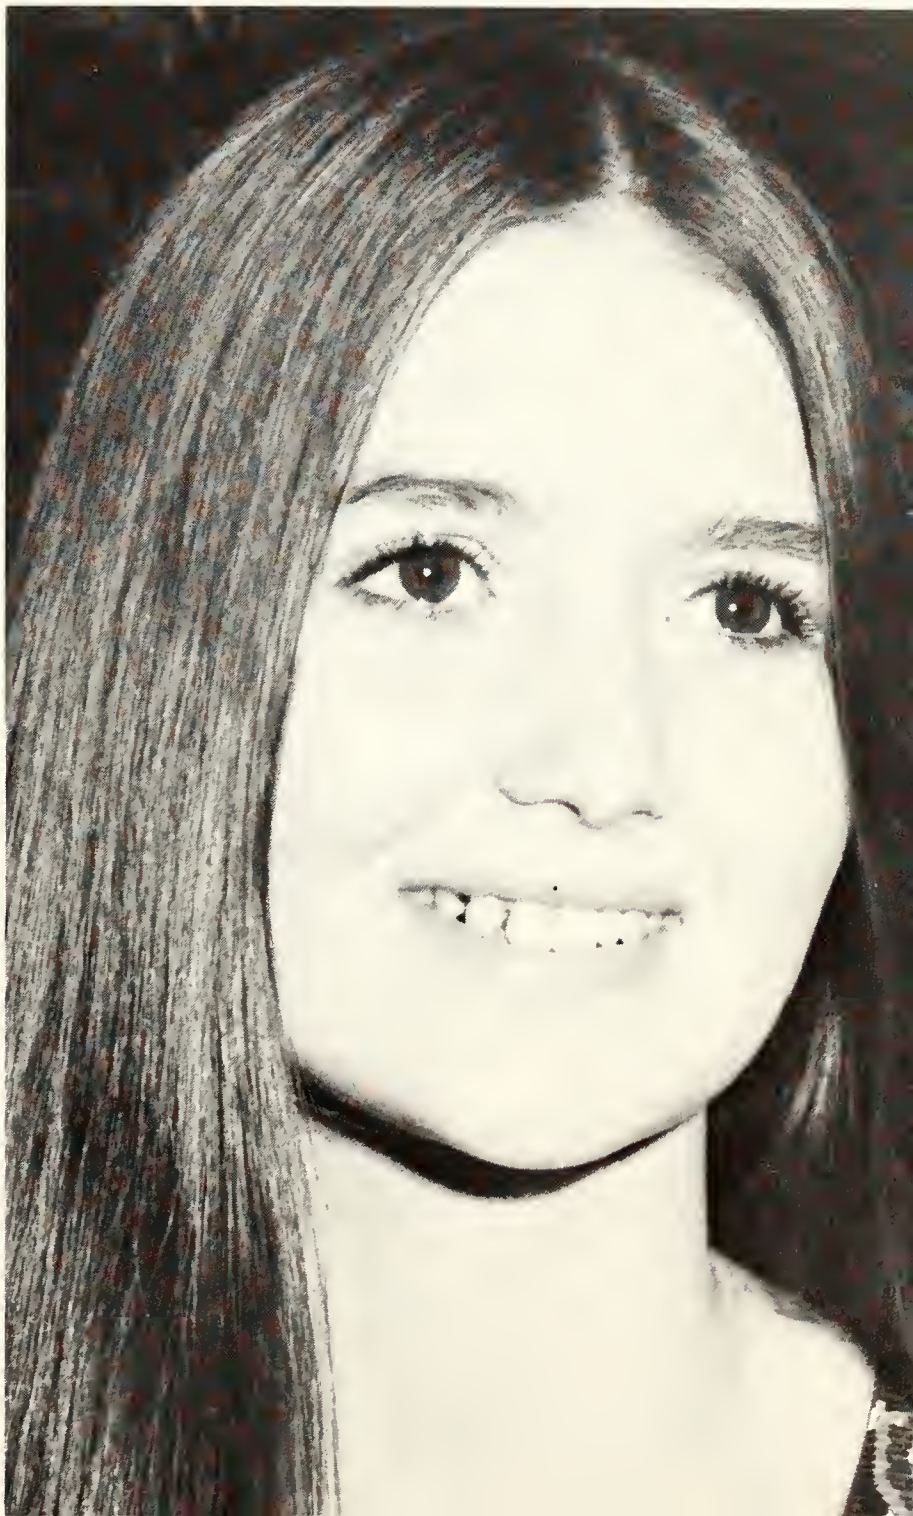
When able to find time in her schedule, Pam works as a staff member for the PINES.

Freshman Beauty

Beth Snead

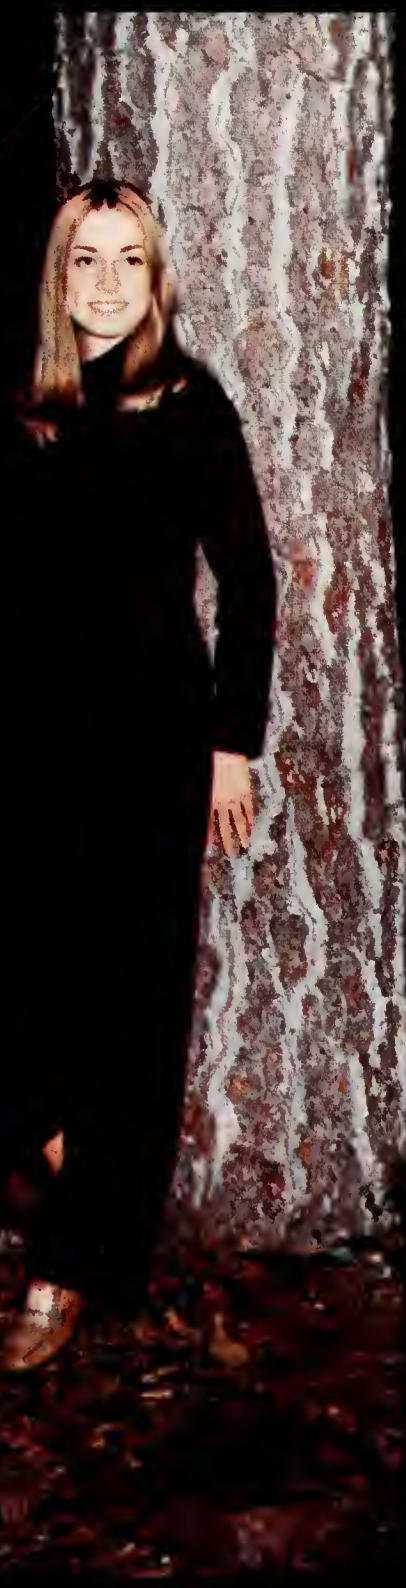
Outgoing and friendly . . . look no farther than Beth Snead. Beth is well-known for her congeniality and enthusiasm. Whether it is in campus activities, cheerleading, or just walking across campus, the spirit of Beth is readily indentified.

Beth is from Boaz and the daughter of Curtis E. Snead. Her major is Liberal Arts.



The Sophomore Beauty

Our blond blue-eyed sophomore beauty from Sardis is Miss Karen Stewart. Music is only one of her many interest. Musically minded, she also plays the piano and "loves" to sing along. Karen also participates in the Action Group for Christ, the Choir and Ensemble.



Karen Stewart

Kathy Camp

One of our sophomore beauties is Miss Kathy Camp from Albertville.

Kathy is definitely an active sports-minded coed with swimming and tennis as her main activities. She is a secondary education major and plans to continue her education after leaving Snead.

Sophomore

Beauties

Jan Price

It is a rare individual who can distinguish herself not only as a capable leader, but as a quiet, gentle person who genuinely loves others as well. Yet, these are the qualities of Jan Price.

Our sophomore beauty enjoys many activities. Music to be exact has taken up quite a lot of time during Jan's life.

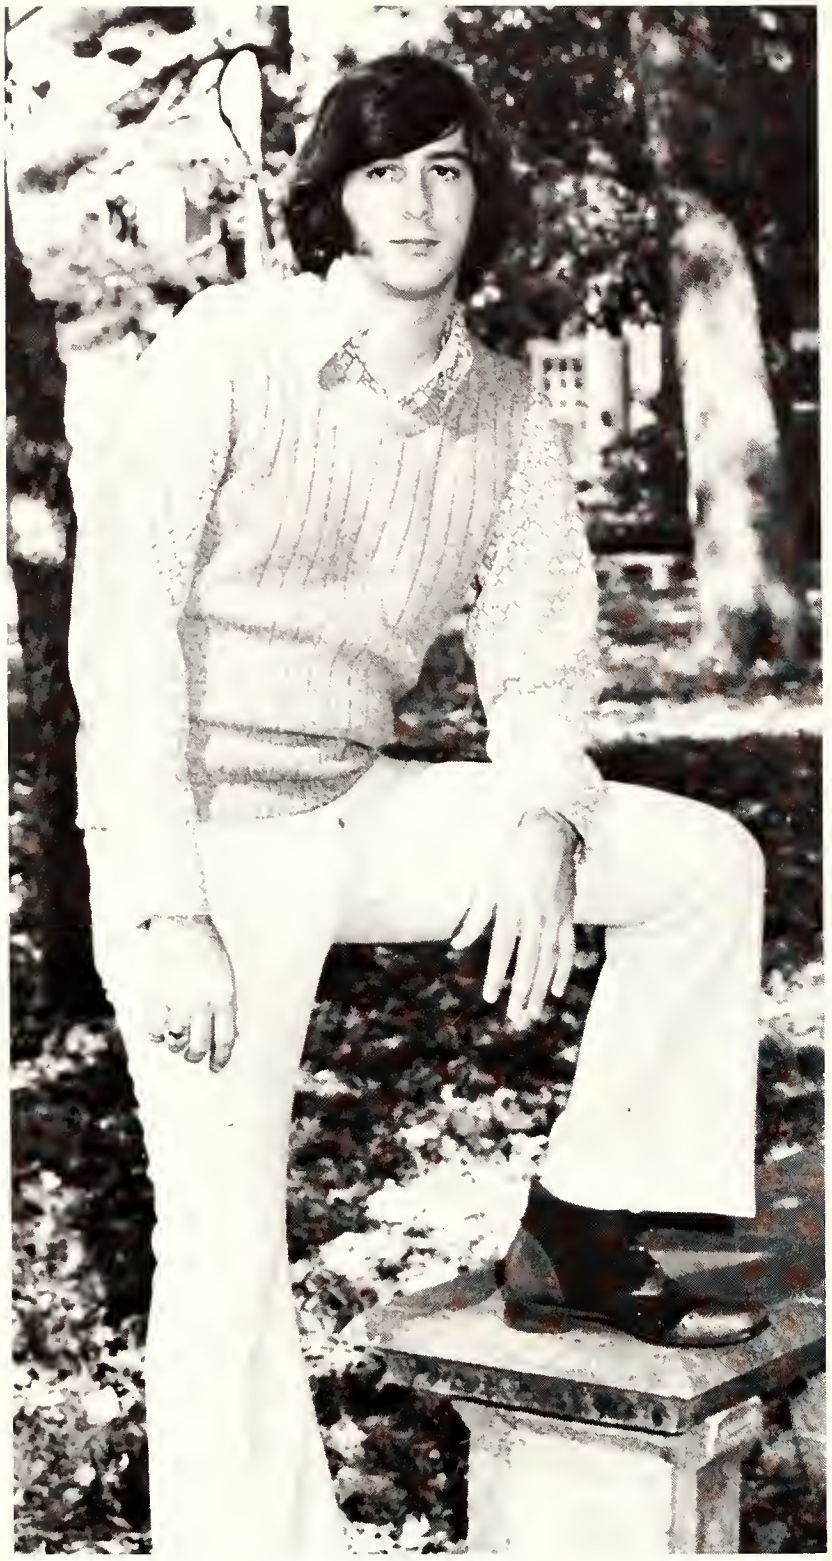
Mr. and Miss



Both of these students are outstanding students, are campus leaders and have won many honors at Snead State. Fred is vice-president of the SGA; President of Civitan Club; Freshman Personality; and Deputy Governor of Alabama North Collegiate Civitan.

Vickie is Miss Civitan International; President of Civinette Club; State President of Alabama Youth for Retarded Children; Freshman Personality; Sophomore Alternate Beauty; and Ad. Editor for the PINES staff.

Elected Mr. and Miss Snead State by SSJC students are Miss Vickie Gibson and Fred Conrad. These students have much in common. Both are from Union Grove and graduated from Arab High School. They are sophomores and honor students. Fred is taking a general course and Vickie is majoring in education.

Faculty

President

Leadership of any kind demands ability and work from the individual who assumes the task. In the role of president the demands are extensively shadowed by numerous responsibilities. An individual assuming the position must possess the capability which the task requires. Snead State has found such an individual in its president Dr. Virgil McCain. In carrying out his responsibilities, he has displayed leadership admired by faculty and students alike.

In the performance of various administrative duties, President McCain has conveyed a concern for the many persons who make up Snead State. The warmth of his personality has made him recognized not only as an outstanding president, but also as a friend.

Students and faculty are both aware that President and Mrs. McCain are a vital part of the college and that they have been a guiding factor of the college in its continual growth.

The sun and
moon
are not mirrored
in cloudy
waters,
thus the
Almighty
cannot be
mirrored
in a heart
that is obsessed
by the idea
of me and mine.
